**SEATTLE/KING COUNTY BUILDING & CONSTRUCTION
TRADES COUNCIL**

THIS AGREEMENT is entered into effective July 1, 2014 by and between Seattle/King County Building & Construction Trades Council hereinafter referred to as the "Union" and Seattle University, hereinafter referred to as the "University." The Union consists of numerous Locals, hereinafter referred to as "Local(s)" that represent specific classes of represented employees.

SECTION 1 - COVERAGE

(a) **Recognition of Union as Bargaining Agent.** The University recognizes the Union as the sole collective bargaining agent for all employees, including leads, [except enrolled students (including enrolled students, high school students) and temporary and day laborers] covered by this Agreement; namely, in classifications as stated in Appendix A hereto attached.

1. A Lead employee is responsible for crew direction and project accomplishment and receives premium pay under this Agreement, but is not responsible for hiring, transferring, suspending, layoff, recalling, promotion, discharge, rewarding, or disciplining other employees or adjusting their grievances.

(b) The University agrees to cooperate with the Union in good faith. The Union agrees to do likewise.

(c) **Union Membership.** All present employees shall as a condition of continued employment elect to join their respective Union or become Agency Fee payers within 30 days following the signing of this agreement by all parties. All employees hired after the signing of this Agreement shall have thirty (30) calendar days from the beginning of their employment to make this decision. Regular monthly dues or Agency Fees shall be required as a condition of employment after an initial 30 days of employment. It is the responsibility of the Union to enforce this provision.

(d) **Payroll Deduction for Union Dues/Agency Fees.** Upon written authorization from a bargaining unit employee, the University shall deduct monthly dues/fees and remit them to each employee's Local. The University's responsibility for the deducted amounts shall cease once dues/fees are forwarded to the appropriate Local. The Union and the employee authorizing the deduction of dues/fees shall indemnify and hold the University harmless for any claims, demands, suits or other forms of liability related to these deductions. Should the University forward any amounts in excess of the correct dues/fees deduction to a Local, the Local will

refund the overpayment to the University for the purpose of refunding the excess amount to the employee.

(e) **Right to Hire, Discipline Suspend, Terminate.** The University shall have the right to hire, discipline, suspend and terminate any employee for just cause such as incompetence, insubordination, or failure to perform work as required on the job, within the provisions of this Agreement.

(f) **Past Practices and Working Conditions.** Past practices and working conditions shall be continued under this Agreement and the Union will be notified of any changes in the practices.

(g) Management reserves all rights, powers, and authority customarily exercised by management, as shown by the examples in Section 24 Management Rights except as otherwise identified by this Agreement.

(h) A review period of ninety (90) calendar days will be established for all newly hired employees during which time the University may terminate their services at will without requiring just cause. The Union will not be able to grieve such termination except where the University has failed to provide the employee work instruction, work expectations, and notice of need to improve.

SECTION 2 - HOURS OF PAY

(a) **Designated Hours of Work.** Eight (8) hours shall constitute a day's work. Five days per week shall constitute a work week. All work over eight (8) hours in any one day and all work over forty (40) hours in any designated work week shall be paid for at the overtime rate of one and one half the regular rate of pay..

(b) **Four Day/Ten Hour Workweek**

Bargaining Unit employees who receive approval from management to work a regular shift of four (4), ten (10) hour workdays will not be required to work additional hours beyond the regular ten (10) hour work day.

Bargaining Unit employees who are called in for an emergency, and that call-in extends past 7pm, will not be required to report to their regularly scheduled start time the following day. The employee will be expected to work their scheduled number of hours, but may opt to start their work day up to two (2) hours late and extend their work day up to two (2) hours.

Employees shall be entitled to a minimum of eight (8) hours rest between shifts. Employees called into work less than eight (8) hours after the end of his/her previous shift shall be paid at the rate of one and one half (1.5) his/her regular rate of pay for all hours worked during such call-in. These hours will not be considered in the calculation of overtime for the week.

All four (4) day, ten (10) hour work days will be approved at the discretion of management. When possible the University will approve a ten (hour, four (4) day 10) straight-time work week for Bargaining Unit employees who make a written request. Due to the nature of certain jobs and staffing levels, management reserves the right to deny an employee's request

for a ten-hour, four-day work week. The ten (10) hour, four (4) day work week will not result in overtime pay unless it results in more than forty (40) hours in a work week. All work over (10) hours in any one day and all work over forty (40) hours in any work week shall be paid for at the overtime rate of one-and-one-half (1.5) the regular rate of pay.

(c) When the University and Union mutually agree that it is necessary, work schedules, for both regular and scheduled overtime work will be posted no later than noon two days prior to the following week's work schedule.

(d) All work in excess of five (5) consecutive hours will require an unpaid lunch period of at least thirty (30) minutes. Regular lunch periods are scheduled between 12:00 noon and 1:00 p.m. or as near to the middle of the work shift as possible. A paid fifteen (15) minute relief period away from work as close to the middle of each four (4) – five (5) hour period (shift) will be provided and administered by the University consistent with State regulations WAC 296-126-092.

(e) Call Time. When employees are called to work outside their normal shift, they shall receive a minimum of four (4) hours pay at one and one half (1.5) their regular rate of pay. These hours will not be considered in the calculation of overtime for the week.

(f) If an employee is called in or scheduled to work a split shift, a split shift being any break of time in consecutive time worked, other than authorized rest periods and lunch period within a twenty-four (24) hour day, that employee shall receive a minimum of four (4) hours pay for each segment of a split shift. If a split shift results in overtime work, management shall distribute the overtime work in a manner that offers all employees the same opportunity for overtime hours.

(g) Employees who are required to work during or prior to scheduled work shift hours, for the hours when the University's operations are officially suspended, will be paid time and one-half (1- ½) for time worked in addition to the pay for emergency closure in accordance with the HR Policy Manual. Refer to Call Time (section 2e). For example, if the university closed because of snow until 10AM, then the pay rate will start when the employee was scheduled start their shift until 10AM. After 10AM, the rate reverts back to their regular pay rate and in no case will they be paid at the premium after the university resumes regular operations. If the employee was asked by management to start earlier than their scheduled shift, then they will be paid at the suspended operations premium rate from the time they start work during the hours of suspended operations. If the employee works beyond 8 hours on that day, they have the option of continuing to work and be paid at the Suspended Operations premium only if requested by management to do so.

(h) All non-scheduled work performed on Sunday will be compensated at one and one half (1.5) times their regular rate of pay plus a premium of two dollars and twenty-five cents (\$2.25) per hour.

(j) **Welding Premium Pay.** Any welding work authorized by management that is performed by a licensed welder will be paid a premium rate of two dollars and twenty-five cents (\$2.25) per hour over the employee's current rate of pay for actual time worked.

(k) Management reserves the right to request specific employees to work overtime when the work requires specialized skills that are essential to performing the overtime work. No employee shall be required to work management-requested overtime. Employees may reject management-requested overtime and not be adversely affected by the rejection. When management requests specific employees to work overtime, it will not affect the voluntary overtime lists described below.

All voluntary overtime must be approved in advance by management. All overtime will be first offered to employees in the required job classification (See Appendix A). No employee shall be required to work voluntary overtime, nor shall any employee be adversely affected by a rejection of an opportunity to work overtime.

For the purpose of providing, insofar as is possible, an equitable distribution of voluntary overtime work within departments among members of specific job classifications, the following procedures will be followed:

- (1) The names of employees who wish to be considered for voluntary overtime work will be placed on lists in descending order of seniority;

In this case the employee's name shall remain in place on the list. An employee who cannot be contacted for an assignment shall be similarly skipped and have his name remain in place on the list;

For regular full-time and part-time employees covered under this Agreement and who work a regular schedule of Wednesday through Sunday and a paid holiday falls on Monday, the holiday will be

observed on Sunday. If the paid holiday falls on Tuesday, the holiday will be observed on Wednesday.

(e) Premium pay for holiday work: If work is performed by employees on a designated holiday, the employee will be compensated at his/her regular hourly rate plus time and one-half (1.5). The arbitrator shall have no authority to modify or add to the express terms of this Agreement. The arbitrator's decision shall be final and binding. The parties agree to share equally in the cost of the arbitration. This section shall be the exclusive means for resolving disputes concerning the interpretation of the Agreement. If the parties are unable to agree upon a neutral arbitrator, either party may request the Federal Mediation and Conciliation Service to submit a panel from the States of Washington and Oregon from which the parties will select an arbitrator, wither by mutual agreement, or by alternately striking one name from such panel until only one name remains.

(d) All time frames above may be extended by mutual consent.

(e) Failure by an employee or the Union to process on a timely basis at any step of the grievance procedure shall be interpreted that the Union withdrew the grievance.

SECTION 22 - VALIDITY OF AGREEMENT

(a) If any provision of this Agreement is declared invalid by a court or competent jurisdiction, the validity of the remainder of this Agreement shall not be affected thereby.

SECTION 23 - TERM OF AGREEMENT

(a) This Agreement shall be effective July 1, 2014 and remain in effect, unless the termination date is extended by mutual agreement, until June 30, 2017, and shall be deemed renewed thereafter from year to year unless either party gives written notice to the other of a desire to modify or terminate the same, and said notice to be given at least sixty (60) days prior to the expiration date.

(b) Beginning March 2015 and March 2016, respectively, the parties agree to engage in negotiations for the purpose of consideration of compensation, as may be recommended and approved by the Board of Trustees in its setting of the fiscal year budgets. Wage increases for

fiscal year 2014-2015 will be documented in Appendix B. Wage increases for fiscal year 2015-2016 will be documented in Appendix C. Wage increases for fiscal year 2016-2017 will be documented in Appendix D.
