

THE EMPLOYEE PAINTERS' TRUST HEALTH & WELFARE FUND

CHANGES IN ADMINISTRATION OF YOUR BENEFITS EFFECTIVE NOVEMBER 1, 2016

Dear Participant;

The Employee Painters' Trust Fund has retained BeneSys Administrators to take over administration of your Health and Welfare Benefits as of November 1, 2016. This change should not impact your ability to obtain health care services. However, some important dates and changes will affect your benefits.

Beginning October 17th, 2016, the EnvisionRx will start issuing new ID cards to you. Please watch for your new cards, destroy your old card **on or after** November 1, 2016, and be sure you **provide the new** card information to your doctor and pharmacist. Please remember that an ID Card is not a guarantee of eligibility or benefits, and you or your provider will need to confirm eligibility prior to rendering services to you.

The Trust will also have new phone numbers for use. The new toll free number as of November 1, 2016 is (844) 344-2721. Please note the new mailing address, P.O. Box, contact numbers, and website below, as of November 1, 2016 as well. Please update any contacts you have for the Benefit office in your phone or email system. A new website will be available for your use, and log in information will be mailed to you toward the end of November. The website for all information is www.IUPATWesternBenefits.org – forms, documents, claim information, details on work history and contributions reported, links to benefit vendors, as well as eligibility and hour bank information for your benefits.

There are new services and technology available through BeneSys Administrators and further information will be distributed in the coming weeks as the Transition date gets closer. Please watch your mail for additional correspondence. If you have questions, please feel free to contact Zenith American Solutions (the current administrator) and/or your local IUPAT Union.

BeneSys will be attending upcoming Membership meetings to answer questions, concerns, or issues.

Sincerely;
The Employee Painters' Trust Board of Trustees
