LOCAL UNION NO. 740

January 2017

PREAMBLE

No employer of labor could hope for success in his business in a country where all workers and those dependent upon them lived in poverty and want; this applies to any and all branches of industry.

The aims of organized labor are to elevate the standards of living for the worker as well as the employer by demanding a just wage for the worker, which in turn will enable the employer to sell his product at a fair profit; the result would be peace and harmony for all classes and answers equitably the question, "Am I My Brother's Keeper?"

Therefore, no intelligent person, whether he be employer or employee, can fail to support enthusiastically the cause of organized labor. To these principles the aims and efforts of Glaziers, Architectural Metal & Glass Workers Local Union No. 740 are dedicated. A copy of these Bylaws shall be furnished to all members.
