YOU’RE INVITED!

Have you ever wondered what it’s like to be a Union Organizer? Want to be part of something bigger than yourself? Want to learn how to stick it to the bad guys when they are cheating workers in our trades? Want to have fun doing it?

Consider this your invitation to participate in the Organizers Boot Camp. You will learn some of the skills and tactics Organizers use to bring new workers and companies into the Union. If you are interested in becoming a bigger part of your Union this is the perfect opportunity.

We are looking for several fun energetic people to add to the Organizing Team in 2020, and leaders for the Volunteer Activist Committee and Shop Steward Program.

The Boot Camp starts after work on Friday, January 10th and ends the evening of Sunday, January 12, 2020.

*Meals provided and lodging may be available.

To apply simply send the following information to jed@iupatdc5.org:
