AGREEMENT
by and between
KING COUNTY
and
JOINT CRAFTS COUNCIL
(Representing Construction Crafts Employees)

January 1, 2018 through December 31, 2020

These articles constitute an agreement, the terms of which have been negotiated in good faith between King County (County) and the Joint Crafts Council (Union), whose members are listed under Article 19 - Duration. This agreement shall be subject to approval by ordinance by the Metropolitan County Council (Council) of King County, Washington.

ARTICLE 1: PURPOSE
1.1 The purpose of this Agreement is to promote the continued improvement of the relationship between the County and its employees through their Union. The Articles of this Agreement set forth the wages, hours, and working conditions for the bargaining unit employees.

ARTICLE 2: NON-DISCRIMINATION
2.1 The County and the Union agree that they will not unlawfully discriminate in employment against any employee by reason of race, color, age, sex, marital status, sexual orientation, creed, religion, ancestry, national origin, religious affiliation, gender identity, gender expression, or disability.

ARTICLE 3: UNION RECOGNITION AND MEMBERSHIP
3.1 Recognition - The County recognizes the Union as the exclusive bargaining representative of all regular, probationary, term-limited temporary and temporary employees whose job classifications are in the work units listed in the attached Appendices.

3.2 Dues and Fees - It will be a condition of employment that all employees covered by this Agreement who are members of the Union in good standing on the effective date of this Agreement will remain members in good standing and those who are not members on the effective date of this Agreement will on the thirtieth (30th) day following the effective date of this Agreement become and
remain members in good standing in the Union or pay fees to the Union to the extent permitted by law. It will also be a condition of employment that all employees covered by this Agreement and hired or assigned into the bargaining unit on or after its effective date will on the thirtieth (30th) day following the beginning of such employment become and remain members in good standing in the Union or pay fees to the Union to the extent permitted by law. Provided, however, that nothing contained in this Section will require employees to join the Union who can substantiate, in accordance with existing law, bona fide religious tenets or beliefs that prohibit the payment of dues or initiation fees to Union organizations. Such employees will pay an amount of money equivalent to regular Union dues and initiation fees to a non-religious charity or to another charitable organization mutually agreed upon by the employee and the Union. If the employee and the Union do not reach agreement on such matter, the Public Employment Relations Commission (PERC) shall designate the charitable organization. Employees will furnish proof to the Union each month that such payment has been made.

3.3 Separation - Failure by an employee to satisfy the requirements of Section 3.2 will constitute cause for dismissal; provided, that the County has no duty to act until the Union makes a written request for discharge and verifies that the employee received written notification of the delinquency including the amount owing, the method of calculation, and the notification that the non-payment after a period of no less than seven (7) days will result in discharge by the County. A copy of each written notification will be mailed to the County concurrent with its mailing to the employee.

3.4 Payroll Deduction - Upon receipt of written authorization individually signed by an employee, the County will have deducted from the pay of such employee the amount of dues and initiation fees as certified by the Union and will transmit the amount to the Union.

3.5 Indemnification - The Union will indemnify and hold the County harmless against any claims made and against any suit instituted against the County on account of any check-off of dues and initiation fees for the Union. The Union agrees to refund to the County any amounts paid to it in error upon presentation of proper evidence thereof.

3.6 Notice of Recognition - The County will require all new employees hired, transferred, or promoted into a position included in the bargaining unit to sign a form which will inform them of the
Union’s exclusive recognition. One (1) copy of the form will be retained by the County, one (1) copy will be given to the employee and the original will be sent to the Union. The County will notify the Union when an employee leaves the bargaining unit.

3.7 **Payroll Deduction for Political Contributions** - The County shall, upon receipt of a written authorization form that conforms to legal requirements, deduct from the pay of a bargaining unit employee the amount of contribution the employee voluntarily chooses for deduction for political purposes and shall transmit the same to the Union/designee, in accordance with instructions provided by the Union.

**ARTICLE 4: MANAGEMENT RIGHTS**

4.1 **General** - The Union recognizes the prerogatives of the County to operate and manage its affairs in all respects in accordance with its responsibilities and powers of authority, subject to the terms and conditions of this Agreement.

4.2 **Rights Enumerated** - Unless modified by this Agreement, the County shall have the right to determine staffing levels and work locations; recruit, examine, hire, appoint, promote, train, layoff, and discipline and discharge regular employees for just cause; direct and assign the work; assign employees to work locations within the division; develop and modify classification specifications; allocate positions to those classifications; allocate employees to those positions; determine work shifts and work schedules; schedule and assign overtime work; establish the methods, means and processes by which work is performed; establish rules; and the right to take whatever actions are necessary in emergencies in order to assure the proper functioning of the work units.

**ARTICLE 5: CLASSIFICATIONS AND RATES OF PAY**

5.1 **Wage Rates** - The classifications of employees covered by this Agreement and the corresponding rates of pay are set forth within Appendices “A” through “I” which are attached hereto and made a part of this Agreement.

5.2 **STEP Advancement** - A regular employee may be hired at STEP 1 of the wage range provided under the appendix covering the classification or above STEP 1 as provided under the County’s Personnel Guidelines. Upon completion of the probationary period for the initial hire into
the classification, the employee will move from the initial STEP hired to the next wage STEP in the wage range, if hired at Step 1. If the employee is hired above Step 1, moving to the next Step is at the hiring authority’s discretion within the first year after hire. STEP increases thereafter will be annually, on the date of the first Step movement after the initial hire into the classification until the top STEP is reached. An employee working less than full-time will receive STEP increases prorated based on the full-time work schedule of the work unit.

5.3 **STEP on Promotion** - A regular employee who is promoted from one classification to a higher paying classification will be placed into the pay STEP providing no less than a four and one-half (4-1/2) percent increase in his/her base hourly rate of pay not to exceed the top pay STEP of the higher paying classification.

5.4 **Short-term Temporary Employee Benefits** - Temporary employees are not entitled to medical, dental, or leave benefits. However, a temporary employee may be eligible for participation in the Union’s Health and Welfare Trust as provided under the appendix, where applicable. The temporary employee may also be eligible to receive other compensation provided under King County Code, as amended, in the event the employee exceeds the rolling year working hours threshold. If the Affordable Care Act grants temporary employees additional benefits beyond which they are currently entitled, the County will abide by the new law.

5.5 **Temporary/Regular Positions** - Temporary employees will not be used to supplant regular positions.

5.6 **General Wage Increase (GWI)** - General Wage Increase (GWI) adjustments will be in accordance with the Coalition of Unions 2017-2018 Total Compensation Agreement as well as MLA Article 29. The Parties acknowledge that either party may raise compensation issues at Total Compensation Bargaining in 2018, per MLA Article 29.3 (e.g. range adjustments, etc.).

5.7 **Out-of-Classification** - An employee may be temporarily assigned in writing by the manager/designee to a higher paid classification under this Agreement when the higher-level duties and responsibilities comprise the majority of the work performed. The employee will be paid at the first STEP of the higher paid classification that provides an increase of at least five (5) percent above his/her base hourly rate of pay for the hours so assigned. In the event that the employee works out-
of-classification in excess of thirty (30) continuous days, all compensated hours will be at the higher
rate of pay. Such assignments will not be used to supplant positions or violate Union jurisdictional
rights. An employee assigned by the manager/designee to perform the duties of a lower paid
classification on a temporary basis will not have a reduction of wages.

5.8 Lead Assignment - An employee may be temporarily assigned in writing by the
manager/designee to perform lead duties. The employee will be paid seven and one-half (7-1/2)
percent above his/her base hourly rate of pay. In the event that the employee works as a lead in
excess of thirty (30) continuous days, all compensated hours will be at the higher rate of pay. This
provision will be superseded by lead level classifications in the attached appendices, if such
classifications have a higher wage rate than the employee’s base hourly rate of pay.

ARTICLE 6: HOURS OF WORK

6.1 Standard Five-Eight (5-8) Work Schedule - The standard work schedule will consist of
five (5) consecutive work days not to exceed eight (8) hours each, exclusive of the meal period and
not to exceed forty (40) hours per workweek, Monday through Friday inclusive.

6.1.1 Four-Ten (4-10) Work Schedule - There may be established a work schedule
comprising of four (4) consecutive work days of ten (10) consecutive hours each work day exclusive
of the meal period and not to exceed forty (40) hours per workweek. An established four-ten (4-10)
work schedule will provide for three (3) consecutive days off, one of which will be a Saturday and/or
a Sunday.

6.1.2 Additional Work Schedules - By mutual agreement, additional work schedules
may be established for each Appendix.

6.2 First Shift - An employee assigned to work on a shift beginning between the hours of
5:00 A.M. and 11:59 A.M. will be considered to be on first shift.

6.2.1 Second Shift - An employee assigned to work on a shift beginning between the
hours of 12:00 P.M. and 8:59 P.M. will be considered to be on second shift. The pay rate for an
employee assigned to second shift will be his/her base hourly rate of pay plus ten (10) percent. An
employee who is regularly assigned to the second shift will have all compensable time paid at the
higher rate of pay.
6.2.2 **Third Shift** - An employee assigned to work on a shift beginning between the hours of 9:00 P.M. and 4:59 A.M. will be considered to be on third shift. The pay rate for an employee assigned third shift will be his/her base hourly rate of pay plus fifteen (15) percent. An employee who is regularly assigned to the third shift will have all compensable time paid at the higher rate of pay.

6.2.3 **Overtime** - The additional hourly compensation (shift premium) paid to employees assigned to second or third shift will not be paid for overtime hours worked by employees who are assigned to first shift.

6.3 **Bid Postings** - Except in situations where the shift or schedule was established pursuant to the Alternative Work Arrangement Policy, all newly established or changed regular work schedules (days of work), shifts (hours of work) and vacant positions in the work unit will be posted on work site bulletin boards. Employees within the specific classification in the affected work unit will have the opportunity to bid by seniority order for the work schedule, shift or vacancy. Absent adequate interest, the County may assign employees within the classification in the affected work unit to the remaining work schedules, shifts or vacancies by using inverse seniority order. Changes to work schedules or shifts will normally require a fourteen (14) calendar days notice to affected employees. Work units are defined in each Appendix.

6.3.1 **Altering of Work Schedule** - No employee will have his/her work schedule altered for the purpose of avoiding the payment of overtime except when an employee bids for such change as provided in Section 6.3. No employee will be required to work on his/her scheduled day off in lieu of the employee’s scheduled workday. An employee will not receive overtime pay for working on Saturday and/or Sunday if the day(s) are part of his/her regular work schedule.

6.4 **Temporary Work Schedule and/or Shift Change** - The manager/designee may temporarily change an employee’s work schedule and/or shift for planned projects, for training and for covering a shift due to an absence or vacancy. Such change will normally require at least fourteen (14) calendar days notice to the employee, except when the County has less than fourteen (14) calendar days notice and the change is made to cover an absence or vacancy.
ARTICLE 7: OVERTIME AND PREMIUMS

7.1 Overtime - An employee on a 5-8 work schedule will be compensated at the rate of one and one-half (1-1/2) times his/her regular hourly rate of pay (overtime rate) for all additional hours worked in excess of the eight (8) regular compensated hours per day or the forty (40) regular compensated hours per workweek, or on a holiday recognized in this Agreement (in addition to the holiday pay).

7.1.1 An employee on a 4-10 work schedule will be compensated at the rate of one and one-half (1-1/2) times the employee’s regular hourly rate of pay (overtime rate) for all additional hours worked in excess of the ten (10) regular compensated hours per day or the forty (40) regular compensated hours per workweek, or on a holiday recognized in this Agreement (in addition to the holiday pay).

7.2 Scheduled overtime work - Scheduled overtime work normally will be offered to full-time regular, then part-time regular employees prior to all other employees except in those instances where regular employees are not readily available, or when it is an extension of the workday for an employee or work crew, or as provided in an Appendix to this Agreement. Readily available is defined as the employee not being on a leave status and is present at work or at home when called at the time the overtime work is being scheduled and is in the work unit in which the overtime will be worked.

7.3 Eight (8) Hour Break - An employee who is called in to work prior to his/her next regularly scheduled shift and works no less than twelve (12) hours overtime without at least eight (8) hours break before the start of his/her next regularly scheduled shift will, upon request, be relieved of any requirement to work his/her next regularly scheduled shift. The employee can be directed by the County, for safety reasons, to not work his/her next regularly scheduled shift. In either of the above instances, the employee will receive overtime pay for all such overtime hours worked but may receive no pay for the regularly scheduled shift from which he/she was relieved.

7.4 Compensatory Time Off - Compensatory time off will be by written mutual agreement between the employee and the manager/designee. The request to earn compensatory time off must be initiated by the employee. Compensatory time off is subject to accrual and use in accordance with
the Personnel Guidelines. Compensatory time off will be earned under the same conditions as
overtime in accordance with Section 7.1.

7.5 **Overtime Authorization** - All overtime will be authorized in advance by the
manager/designee in writing, except in emergencies. Saturday and Sunday work will not be
considered overtime when it is a regularly scheduled workday for the employee.

7.6 **Callout Premium** - A minimum of four (4) hours at the overtime rate will be paid for
each callout. Where such overtime exceeds four (4) hours, the actual hours worked will be paid at
the overtime rate.

7.6.1 **Callout** - A "callout" will be defined as a circumstance where an employee has
left the work premises and is subsequently required to report back to work prior to his/her normally
scheduled shift. An employee who is called out before the commencement of his/her regular shift
will be compensated in accordance with the provisions of Section 7.6; provided, however, in the
event the employee is called back to work within four (4) hours of his/her regular shift, the employee
will be compensated at the overtime rate for only the hours immediately preceding the start of his/her
regular shift.

7.6.2 **Technical Call-out**: - In the event an employee is called by either the Employer
or an authorized representative of the Employer to work on a resolution for an after-hours emergency
utilizing his/her expertise to attempt to resolve a problem (whether by phone or other electronic
means, not on site) shall be paid a minimum of one (1) hour of work or for the hours actually worked,
whichever is greater at the overtime rate. It is understood by the parties that multiple phone calls
within the work day are not compensable at the minimum one (1) hour rate. In the event the
employee is required to report to the worksite, then the Technical Call-out shall be converted to a
Call-out, pursuant to Section 7.6.1, with a start time matching the initial call.

7.7 **Emergency Work Premium** - Emergency work other than the normal scheduled shift or
special schedule and/or shift not enumerated in Articles 6 or 7 will be credited as such and will be
compensated as overtime. In the event this overtime work is accomplished prior to the normal
working hours and the employee subsequently works his/her regular shift, the regular shift will be
compensated at the employee's regular, hourly rate of pay.
7.8 **Standby Premium** - An employee assigned to standby status on non-duty days, by written authority of the manager/designee, will be entitled to four (4) hours of pay at the overtime rate for each twenty-four (24) hour period or major portion thereof while on standby status. Any work performed on non-duty days while on standby status will be compensated at the overtime rate for actual time worked. An employee who is required in writing to be readily available to be called into work and/or who is required to wear a "beeper," cell phone or other communication device outside of his/her regular work hours will be considered to be on standby status.

**ARTICLE 8: HOLIDAYS**

See also MLA Article 10.

8.1 **Holiday Premium Pay** - Work performed by a leave-eligible employee on a holiday shall be paid at one and one-half (1-1/2) times the employee’s regular rate, in addition to the holiday pay.
ARTICLE 9: VACATIONS

9.1 Accrual Schedule - Regular, probationary, provisional and term-limited temporary employees (herein referred to as: “leave eligible employees”) will accrue vacation leave benefits as described in and further qualified by this Article.

9.1.1 Part-time Employees - Leave eligible employees who work a part-time work schedule will accrue vacation leave in accordance with the vacation leave schedule set forth in Section 9.1, prorated to reflect their normally scheduled work week.
9.2 **Vacation Accrual** - Leave eligible employees will accrue vacation leave from their date of hire in a benefit eligible position.

9.3 **Maximum Accrual** – See also MLA Article 9. Leave eligible employees will use vacation leave beyond the maximum accrual amount on or before the last day of the pay period that includes December 31 of each year. Failure to use vacation leave beyond the maximum amount will result in forfeiture of the vacation leave beyond the maximum amount, unless the employee has received approval in accordance with County policies and procedures to carry over vacation time in excess of the maximum amount.

9.4 **Vacation Eligibility** - A leave eligible employee cannot take or be paid for vacation leave until he/she has successfully completed his/her first six (6) months of County service in a leave eligible position. If a leave eligible employee leaves County employment prior to successfully completing his/her first six (6) months of County service in a leave eligible position, he/she will forfeit and not be paid for accrued vacation leave. Except as modified by a VEBA agreement, a leave eligible employee will be paid for accrued vacation leave to his/her date of separation up to the maximum accrual amount if the employee has successfully completed his/her first six (6) months of County service and is in good standing. Payment will be the accrued vacation leave multiplied by the employee’s rate of pay in effect upon the date of leaving County employment less mandatory withholdings.

9.5 A leave eligible employee will not use or be paid for vacation leave until it has accrued and such use or payment is consistent with the provisions of this Article.

9.6 **Outside Employment** - No employee will work for compensation for the County in any capacity during the time that the employee is on vacation leave.

9.7 **Partial Day Increments** - Vacation leave may be used in one-quarter (1/4) hour increments at the discretion of the manager/designee.

9.8 **Payment to Assigns and Heirs** - In cases of separation from County employment by death of an employee with accrued vacation leave and who has successfully completed his/her first six (6) months of County service in a leave eligible position, payment of unused vacation leave up to the maximum accrual amount will be made to the employee’s estate, or, in applicable cases, as
provided for by State Law, RCW Title 11.

9.9 **Vacation Scheduling** - The manager/designee will be responsible for scheduling the
d vacation of employees in such a manner as to achieve the greatest vacation opportunity for the
employees while maintaining the efficient functioning of the work unit.

9.10 **Notification While on Paid Vacation or Compensatory Time Off** - If a leave eligible
employee is injured or becomes ill while on paid vacation or compensatory time off, in order to
receive sick leave for that time, he/she must notify the manager/designee on the first day of the injury
or illness, either by telephone, email, text message, fax, or by letter postmarked the first day of the
injury or illness. However, if it is physically impossible to give the required notice on the first day,
otice must be sent as soon as possible and must be accompanied by an acceptable showing of
reasons for the delay. A doctor’s statement or other acceptable proof of the injury or illness, while on
vacation or compensatory time off must be presented regardless of the number of days involved.

9.11 If a regular or probationary (who has previously achieved career service status)
employee resigns from County employment or is laid off and subsequently returns to County
employment within two (2) years from such resignation or lay off, as applicable, the employee’s prior
County service shall be counted in determining the vacation leave accrual rate under Section 9.1.

9.12 **Term-Limited Temporary Employees** - A term-limited temporary employee who,
contiguous with his/her term-limited temporary employment becomes a regular employee shall have
his/her accrued vacation leave accruals carry over with such regular appointment and the accrual rate
will be determined based on his/her date of hire in the term-limited temporary position.

**ARTICLE 10: SICK LEAVE**

See also MLA Article 11.

10.1 **Sick Leave** - Regular, probationary, provisional and term-limited temporary employees
(hereinafter referred to as: “leave eligible employees”) will accrue sick leave benefits at the rate of
0.04616 hours for each hour in pay status exclusive of overtime up to a maximum of eight (8) hours
per month. The employee is not entitled to sick leave if not previously earned.

10.2 **Vacation as an Extension of Sick Leave** - During the first six (6) months of service in
a leave eligible position, leave eligible employees may use accrued vacation leave in accordance with
the Washington State Family Care Act or, at the manager/designee’s discretion, use any accrued days
of vacation leave as an extension of sick leave. If an employee does not work a full six (6) months in
a leave eligible position, any vacation leave used for sick leave must be reimbursed to the County
upon termination.

10.3 **Partial Day Increments** - Sick leave may be used in one quarter (1/4) hour increments
at the discretion of the manager/designee.

10.4 **Unlimited Accrual** - There will be no limit to the hours of sick leave benefits accrued
by a leave eligible employee.

10.5 **Restoration following Separation** - Separation from employment except by reason of
retirement or layoff for non-disciplinary medical reasons, will cancel all sick leave accrued to the
leave eligible employee as of the date of separation. Should a regular employee resign in good
standing, be laid off or separated for non-disciplinary medical reasons and return to County
employment within two (2) years, his/her accrued sick leave will be restored.

10.6 **Pay upon Separation** - Except as modified by a VEBA agreement a regular or
probationary (who has previously achieved career service status) employee who has successfully
completed at least five (5) years of County service and who retires as a result of length of service or
who separates by reason of death will be paid, or his/her estate as provided for by RCW Title 11, as
applicable, an amount equal to thirty-five percent (35%) of his/her unused, accumulated sick leave
multiplied by the employee’s rate of pay in effect upon the date of leaving County employment, less
mandatory withholdings. Retire as a result of length of service means an employee is eligible,
applies for and begins drawing a pension from PERS or the City of Seattle Retirement Plan
immediately upon terminating County employment.

10.7 **Leave Without Pay for Health Reasons** - An employee must use all of his/her sick
leave before taking unpaid leave for his/her own health reasons. If the injury is compensable under
the County’s workers compensation program, then the employee has the option to augment or not
augment time loss payments with the use of accrued sick leave.

10.8 **Leave Without Pay for Family Reason** - For a leave for family reasons, the employee
will choose at the start of the leave whether the particular leave would be paid or unpaid; but, when
an employee chooses to take paid leave for family reasons he/she may set aside a reserve of up to eighty (80) hours of accrued sick leave.

**10.9 Use of Vacation Leave as Sick Leave** - An employee who has exhausted all of his/her sick leave may use accrued vacation leave before going on leave of absence without pay, if approved by his/her manager/designee, or in accordance with the Washington State Family Care Act.

**10.10 Use of Sick Leave** - Accrued sick leave will be used for the following reasons:

A. The employee’s bona fide illness; provided, that an employee who suffers an occupational illness may not simultaneously collect sick leave and worker’s compensation payments in a total amount greater than the net regular pay of the employee;

B. The employee’s incapacitating injury, provided that:

1. An employee injured on the job may not simultaneously collect sick leave and worker’s compensation payments in a total amount greater than the net regular pay of the employee; though an employee who chooses not to augment his/her worker’s compensation time loss pay through the use of sick leave will be deemed on unpaid leave status;

2. An employee who chooses to augment workers compensation payments with the use of accrued sick leave will notify the workers compensation office in writing at the beginning of the leave;

3. An employee may not collect sick leave and worker’s compensation time loss payments for physical incapacity due to any injury or occupational illness which is directly traceable to employment other than with the County.

C. Exposure to contagious diseases and resulting quarantine.

D. A female employee’s temporary disability caused by or contributed to by pregnancy and childbirth.

E. The employee’s medical, ocular or dental appointments provided that the employee’s manager/designee has approved the scheduling of sick leave for such appointments.

F. To care for the employee’s eligible child if the child has an illness or health condition which requires treatment or supervision from the employee;

G. The parties agree that to the extent Washington State law provides greater benefits
for the use of paid leave for family care, the state law shall prevail.

10.11 **Unpaid Leave** – See also MLA Article 11.

10.11.1 **Temporary Transfer** - If an employee requests intermittent leave or leave on a reduced leave schedule, under Section B, above, that is foreseeable based on planned medical treatment, the manager/designee may require the employee to transfer temporarily to an available alternative position for which the employee is qualified and that has equivalent pay and benefits and that better accommodates recurring periods of leave than the regular position of the employee.

10.11.2 **Concurrent Time** Use of donated leave will run concurrently with the eighteen (18) workweek family medical leave entitlement.

10.11.3 **Insurance Premiums** - The County will continue its contribution toward health care during any unpaid leave taken under Section 10.11.

10.11.4 **Return to Work from Unpaid Leave** - An employee who returns from unpaid family or medical leave within the time provided in this Article is entitled, subject to layoff provisions, to the same seniority accrued before the date on which the leave commenced.

10.12 **Provider Certification** - The manager/designee and employee is responsible for the proper administration of the sick leave benefit. Verification from a licensed health care provider may be reasonably required to substantiate the health condition of the employee or family member for leave requests.

An employee working less than a full-time work schedule will have his/her probation prorated based on the full-time work schedule for the work unit.

13.2.1 An employee who is recalled from layoff within two (2) years, or is rehired within one (1) year will have his/her classification seniority restored upon successful completion of probation.

13.2.2 The movement of an active, career service employee to a different work unit, work crew, or work site within the same division will not be considered a transfer that requires a probation period, if the employee continues in the same job classification with substantially the same duties.

13.2.3 **Resumption of Probationary Period Upon Recall From Layoff** - In the
event a regular employee is laid off during his/her probation period and is subsequently recalled to his/her classification within ninety (90) calendar days from the date of layoff, he/she will be credited with all days previously worked for purposes of satisfying his/her probation period and establishing his/her resultant classification seniority date.

13.3 **Seniority Accrual While on Leave Due to Illness or Injury** - An employee will continue to accrue seniority during an absence caused by an industrial injury or illness. An employee who is unable to work because of a non-work related injury or illness will not accumulate seniority during an unpaid leave of absence in excess of thirty (30) calendar days. A regular employee who is promoted or transferred to another King County position and does not complete the probationary period may elect to return to the former position within six (6) months if the former position is vacant and available. If the position is not available, and as a result the employee separates from County service, the employee will be entitled to recall rights to the former classification in accordance with Section 13.9, as if the employee had been laid off on the date of separation.

13.5 **Seniority will be defined as follows:**

- **"Classification Seniority"** will be defined as regular employee’s total length of service within a specific classification covered by this Agreement. Regular employees in the Parks Division who were in a position covered by this Agreement prior to January 1, 1992 will not be credited with any classification seniority accrued prior to January 1, 1992 for purposes of layoff.
under this Article.

- Resignation; provided, however, in the event a regular employee who has completed his/her probation period is rehired to a classification covered under this Agreement within twelve (12) months from the date of his/her termination or resignation, the employee will then be credited with all his/her seniority credits previously existing on his/her last day worked.

13.7 **Reduction in Work Force Procedure** - In the event of a reduction-in-force, the County will layoff the regular employee in the classification affected who has the least Classification Seniority within his/her division. Prior to any layoff, all term-limited temporary, provisional, temporary and probationary employees in the classification within the affected division of the department will be separated first. Where two (2) or more regular employees have the same Classification Seniority, the more senior employee will be the one who has the most seniority by applying the following seniority tie breakers in this order: 1) Division, 2) Department, 3) Bargaining Unit, 4) County, 5) total number of compensated hours, 6) a random method by mutual agreement.

Employees who exercise their “bumping” rights under this section shall not be required to serve a probationary period in the new position. Regular employees in the Parks Division who were in a classification covered by this Agreement prior to January 1, 1992 will accrue seniority as of January 1, 1992 for purposes of being able to exercise their bumping rights as provided under this Article.

13.8.1 Displaced Employees - A regular employee who becomes displaced due to another regular employee’s exercise of Section 13.8, will also be afforded the right to displace or “bump out” the least senior regular employee in his/her classification in a similar manner.

13.9 Recall from Layoff - A regular employee displaced due to a reduction-in-force will be recalled to his/her classification in the inverse order of layoff subject to his/her ability to perform the work of the position for which he/she is recalled. A regular employee will be removed from the recall list after two (2) years from the date of layoff, or the employee is recalled, or the employee fails to accept or report to work after being recalled, or the employee requests to be removed from the recall list.

16.1 **Work Stoppages** - The County, the Council, and the Unions agree that the public interest requires efficient and uninterrupted performance of all County services and to this end pledge their best efforts to avoid or eliminate any conduct contrary to this objective. Specifically, the Unions will not cause or condone any work stoppage, including any strike, slowdown, or refusal to perform any customarily assigned duties, sick leave absence which is not bona fide, or other interference with County functions by employees under this Agreement and should same occur, the involved Union will take appropriate steps to end such interference. Any concerted action by any employee in any bargaining unit will be deemed a work stoppage if any of the afore-referenced activities have occurred contrary to the provisions of this Agreement. Being absent without authorized leave will be considered as an automatic resignation. Such a resignation may be rescinded by the department head if the employee presents satisfactory reasons for their absence within three (3) calendar days of the date his/her automatic resignation became effective.

* These Steps equate to Steps 2-4-6-8-10 on the King County “Squared” Pay Schedule.

A.1 Steps - An employee who is hired into a regular position and who has successfully completed a State Apprenticeship program in the craft hired, or who can supply documentation of a minimum of five thousand two hundred (5200) hours of journey level work performance, will start at Step 3 and advance to Step 5 on successful completion of probation.

A.2 Short-term Temporary Employees - A temporary journey level employee will be hired at Step 3, or at a higher step at the County’s discretion. In addition, the County will pay the full hourly contribution rate into the medical portion of the Carpenter’s Health and Welfare Trust on behalf of the employee for each hour in pay status.

A.3 Tools - No employee will be required to furnish tools for work. The County will provide the tools necessary to perform the assigned work.

A.4 Work Units - Work units will be defined as those County divisions in which members are regularly assigned to work.

A.5 Apprenticeship Program - If, during the term of this Agreement, the County and Union decide to create or participate in an Apprenticeship program, the parties agree to re-open
negotiations, at the request of either party, to negotiate amendments or additions to this Appendix related to apprenticeships.

A.6 Each employee will have a regularly assigned site to report at the beginning of the work shift. The regular reporting site may be changed with two (2) weeks written notice. An employee may be temporarily assigned to report at a different work site based on County business needs, or the supervisor may allow an employee to report to a temporary work site for a specified period of time, if compatible with County business needs. Assigned travel to and from job sites during the shift will be on paid time and at County expense.

A.7 Assignment of Overtime - (A.7 applies only to the King County Roads Division Carpenter Group.) Unscheduled overtime and non-project overtime will be offered first to the most senior Carpenter and if declined to the next most senior Carpenter until the offer is accepted. Should there be no Carpenter willing to accept the overtime assignment the least senior Carpenter will be required to staff the overtime assignment. This overtime list (“wheel”) methodology requires that those carpenters that decline the overtime assignment fall to the bottom of the overtime wheel as the cycle continues. This overtime wheel methodology will not be ordinarily utilized for scheduled projects that incur overtime. It is the intent of the parties that carpenters working overtime on scheduled projects remain on the project’s overtime assignment whenever possible. Should a need arise requiring the replacement of a carpenter on a project overtime assignment the County will utilize the overtime wheel whenever practicable. Should the County determine that the utilization of the overtime wheel to be impracticable for scheduling project overtime, it may at its discretion directly assign the project overtime to a carpenter of its choosing.

A.8 Work Clothing – The County shall provide “double front” work pants to Carpenters. Furthermore, the parties agree to convene a Labor-Management Committee in affected Departments as soon as feasible after the implementation of this Agreement for the purpose of discussing types of clothing most appropriate for the Carpenters in that particular work unit.

A.9 Western Washington Training Trust – The County and the Pacific Northwest Regional Council of Carpenters agree to continue discussions concerning contributions to the Western Washington Training Trust for Journeyman Carpenter Skill Enhancement training
contingent upon the Training Trust’s future decisions on how to create a process and the cost for public sector employer access. Furthermore, the parties agree to continue discussions concerning the application of the Western Washington Apprenticeship Training Program for the purpose of succession planning.

* These Steps equate to Steps 2-4-6-8-10 on the King County “Squared” Pay Schedule.

B.1 Steps - An employee who is hired into a regular position and who has successfully completed a State Apprenticeship program in the craft hired, or a State recognized Certificate of Completion in Automotive Mechanics Technology and three (3) years of documented experience in the field, or holds a Master ASE Certification and five (5) years documented experience in the field will start at Step 3 and advance to Step 5 on successful completion of probation. This provision shall only apply to newly hired employees on or after the date this Agreement is adopted by ordinance.

B.2 Commercial Drivers License (CDL) - All employees in a “HD” classification must possess a valid CDL while in pay status. The County will pay for required training and associated costs. The employee is responsible for any costs of a physical exam and the actual license.
Employees are required to successfully obtain the CDL within six (6) months of employment. Failure to obtain the CDL will result in separation of employment; except, employees who are employed with the County as of February 4, 2000 who fail to pass the CDL physical exam will not be separated from their position for having failed the physical exam unless such failure is due to a positive test for drugs or alcohol.

**B.3 ASE Certification** – Effective January 1, 2015, all employees who hold either one-half (1/2) of the ASE certificates for master mechanic certification in his/her classification or a full ASE master mechanic certification for his/her classification will receive one of the following hourly pay premiums as follows:

<table>

<tr>
<td>HD II</td>

</tr>
</tbody>
</table>

The parties agree that, the ASE Premium shall be increased by the same percentage as the general wage increase each year.

The ASE certificates/certification must be valid in order to receive the premium. The premium is to be paid in addition to the employee’s regular, base hourly rate of pay for all compensated hours. The County will only pay once for each ASE test taken. The Union agrees to work with the Fleet Division to ensure it obtains and maintains ASE shop certification for all shops.

**B.3.1 ASE Certification Examinations** - The County will, when feasible, adjust the work schedule of employees, in order to allow the employee to take examinations to acquire or maintain an ASE certification. If a schedule adjustment is not feasible, the County will approve vacation leave or compensatory time off, at the employee’s option, provided the employee submits the request with sufficient advance notice.

**B.4 Tool Allowance** - The County will reimburse up to five hundred dollars ($500.00) annually (no carry-over) for approved replacement tools or specialty tools not otherwise provided by
the County. The Union and the County will meet and confer on the repair of employee owned power tools used for work.

B.4.1 Tool Replacement / Repair – Tools normally furnished by the employee that are verified lost on the job and under circumstances where retrieval would pose a danger to an employee, shall be replaced by the County with a comparable tool of the same manufacturer.

B.5 Work Units - Work units will be defined as those County divisions in which members are regularly assigned to work.

B.6 Apprenticeship Program - The Parties agree to participate in the Greater Puget Sound Area Automotive Machinists Apprenticeship Program as a means to hire and develop qualified Automotive Machinists. The Parties further agree to continue labor-management discussions regarding the program as needed during the term of this Agreement.

Apprentices who received credit for previous experience may be placed at a pay rate commiserate with their experience and in keeping with the Apprenticeship Program provisions. One (1) apprentice in any work group where a journeyman is steadily employed and one (1) additional apprentice may be employed for each five (5) journey-level full-time Automotive Machinists employed by the County. However, this ratio maybe be adjusted by mutual agreement between the Parties.

Other conditions of employment of apprentices shall be as provided in the respective Automotive Machinists’ Joint Apprenticeship Standards as approved by the Washington State Apprenticeship Council.

B.7 Unanticipated/Work Schedule and/or Shift Change - Normally, at least eight (8) hours of advance notice will be given to an employee prior to temporarily changing the employee’s work schedule and/or shift to perform unanticipated projects and/or operations. In the event of snow removal, flood control, sanding, or other operations due to acts of nature which may or may not be anticipated, an employee may be placed on “Alert Status” and the eight (8) hours of advance notice will not be required.

B.8 Alert Status – Employees assigned to support the Roads Maintenance Section will, in addition to his/her regular shift and schedule, be assigned an alert status shift and schedule (Alert).
B.8.1 Shift duration - Alert may be of varying duration; however, Alert will be at least eight (8) hours.

B.8.2 Alert Notification - Given the unpredictable nature of operational needs, Alert may be called at anytime and limited to the number of employees necessary to fulfill operational needs. Implementation of Alert Status will be considered to have taken place when the work hours of the employee’s normal shift have been altered without the required advance notification as provided under Section B.7.

B.8.3 Transition to Alert - Transition to Alert may occur during an employee’s regularly scheduled work day. In such cases, employees may be sent home before the end of the regular shift in order to get rest prior to the start of their Alert shift, or may be required to stay on his/her regular shift until the start of the Alert shift. The decision to send an employee home or require him/her to remain at work will be determined by the County based on operational and safety considerations, taking into consideration the desire of the employee. If the employee requests and is approved to be relieved from his/her regular shift, he/she may use accrued vacation leave, compensatory time, or leave without pay for that portion of the regular shift he/she did not work. If the employee is relieved by management from his/her regular shift, the employee will be compensated for the remainder of the shift.

B.8.4 Employees on leave - If an employee is on leave when an alert status shift is called, he/she will not be called to work unless it is operationally necessary to do so. Employees who have been pre-approved for leave may be relieved from Alert when the leave is scheduled to begin unless the employee elects to cancel or postpone the start of the leave or is operationally necessary due to emergent conditions for management to cancel the leave. In the event that an employee’s approved prescheduled leave is cancelled due to Alert, the County agrees to reimburse the employee’s documented unreimbursed travel expenses that are directly attributed to the cancelled leave.

B.8.5 Compensation

1. When an employee transitions to the Alert shift during his/her normally scheduled shift, the employee will receive overtime for all time on the Alert shift that is worked on
the calendar day after the employee’s regular shift of eight (8) or ten (10) hours has been worked and paid at straight time.

2. When an employee begins the Alert shift on the day he/she is regularly scheduled to work but does not work his/her regular shift, or begins the Alert shift during the same day he/she was relieved of his/her regular shift as provided under Section B.8.3, or works the Alert shift on a day he/she is not normally schedule to work, the first four (4) hours worked on the Alert shift is paid at the rate of one and one-half (1-1/2) his/her regular rate of pay. The next eight (8) hours worked will be at the employee’s regular rate of pay.

3. If an employee on Alert is approved to leave work at his/her own request or at the beginning of a leave as provided under B.8.4, he/she will be paid only for the hours worked.

4. Leave Accruals - An employee on Alert shift during a normally scheduled workday will receive vacation and sick leave accruals for the first eight (8) hours worked if regularly assigned to a 5/8 work schedule, or ten (10) hours if regularly assigned to a 4/10 work schedule, in accordance with Sections 9.1 and 10.1, respectively.

5. Shift premium - Alert shifts will not be subject to shift premium pay as provided under Section 6.2.

6. Compensation and Breaks While on an Alert Status Shift - An employee who is assigned to work an Alert shift will be compensated for all hours assigned to the shift inclusive of all meal periods and breaks. The County will try to provide meal and rest periods in accordance with State regulations during an employee’s Alert shift. The County and Union agree that by this section and RCW 49.12.187 the County may deviate from the meal periods and rest breaks contemplated in State regulations and that the employees’ meal and rest periods may be missed due to work requirements. If a meal or rest period is missed, no additional pay will be provided.

B.9 Scheduled Overtime – Scheduled overtime in the Equipment Repair and Rental and the Motorpool shops shall be awarded on a seniority basis with the most senior employee in the classification within the shop being offered the opportunity to work the available overtime first. If there are no volunteers then overtime shall be assigned in reverse seniority order. This provision
shall not apply to employees normally assigned as Field Mechanics.

**B.10 Alternate Leads** – The Parties agree to the continued use of Alternate Leads to cover lead duties while regular leads are unavailable. Notwithstanding language elsewhere in this Agreement, the Parties agree that Alternate leads will be scheduled via a separate shift bid process based on classification seniority if the alternate leads share the same classification and County seniority if they are of different classifications.

Regular employees who desire to bid for the vacant position, schedule and/or shift will indicate so by
signing the posted notice. The employee with the greatest bargaining unit seniority will be assigned;
provided however, he/she is qualified to handle the work. (Supplants Section 6.3)

H.3 Overtime Work - The County shall have the right to schedule and assign overtime
work. Overtime work will be divided and rotated as equally as possible amongst those employees
who desire overtime work. Employees will indicate their availability for overtime work by placing

granted only with the mutual agreement of Management and the employee. (Supplants Section 9.9)

H.5 The County will provide five (5) uniforms to employees and replace them as needed. If

Employees with paid meal periods are subject to being called back to work at any time during a paid break or meal period. To this end, employees with paid meal periods are not allowed to leave the employer’s facility to which the employee is assigned, during their paid breaks or meal periods. The employer will schedule break periods to assure adequate coverage, consistent with department rules. This will include a 30 minute meal period, as well as two fifteen minute breaks (or intermittent rest periods) during an eight hour shift. Due to the nature of the work, it may not be possible to schedule and/or take such meal periods and break periods during the time specified in WAC 296-126-092 (between two and five hours after the beginning of their work shift). Such meal periods and
break periods will be scheduled and taken as work demands allow. To the degree that this provision conflicts with WAC 296-126-092, it shall be interpreted as an express waiver of the Washington Administrative Code with respect to the time break is taken.
