1. Commencing with the 1st day of June 1992, and for the duration of the Agreement, and any renewals or extension thereof, the Employer agrees to make payments to the IUPAT Union and Industry Pension Fund for each employee covered by this Agreement, as follows:
 - a. For each hour, or portion thereof, for which an employee receives pay, the Employer shall make a contribution to the IUPAT Union and Industry Pension Plan for each covered Journeyman. Apprentices shall receive contributions as per their wage scale percentage as per Section 18.8(c).
 - b. For the purpose of this Article, each hour paid for, including hours attributable to show up time, and other hours for which pay is received by the employee in accordance with the Agreement, shall be counted as hours for which contributions are payable.
